### Meet "Styled In Black" aka Johnny 2010 True Black Sabino Colt foal out of Splashes

The first foal of the season is a cracker. A true black sabino colt. Once again Profile's has thrown his signatory long legs, small stunning head, short back and lovely rein and rump. With a 5S x 5D inbreeding to 'Hail To Reason' (the sire of the mighty Halo), amongst other pedigree dynamics, this guy should be rather handy on the track. And with no frame-overo characteristics he will be a great asset to Royal and Grand National show enthusiasts once his racing days are over.

We think this guy could be the foal of the season and more pictures of him showing his exceptional type can be seen [here](#).

Types don't get much better than this (much better than this pic suggests) and with limited foals this year due to the arrival of Denham he is sure to be in hot demand. If you are interested in him don't delay.

### Welcome Denham

At 7.15pm on Tuesday the 14th of September

our lives became that much better with the arrival of our beautiful baby boy Denham Rockley McLaren. Pleased to say both Mother and Baby are doing great. He is a bundle of joy and is the perfect baby - even arriving on his due date. Lily is a fabulous and very proud big sister and is a huge help with "her baby Denham!"

### Breeding season off to a great start

Both Profile In Style (USA) and Glacial Gold (USA) have been rather pleased about the start of the breeding season. Both stallions have been busy covering mares and we are pleased to say that the mares that have been sent to the stallions are just lovely. We have sewn down oats and sprayed and fertilized paddocks in the off season so the mares are in pastures fit for a king.

Glacial Gold (aka Buzz) has had another inspection from a mare owner which once again has resulted in an owner sending two mares, writing to us the comments ***"Buzz... What can I say, your inscription of him is perfect, GOBSMACKING exactly describes him."***

#### Quote worthy of mention

'The greatest achievement was, at first, and for a time, but a dream.'

– Napoleon Hill

#### Staff Profiles again next newsletter....stay tuned

"Will I ever be able to race my horse again?" the owner asked the Vet. The Vet replied "You certainly will, and you'll probably beat her too!"
