NEW MARES FOR WCF

It was a fun filled week at end of May for the Magic Millions National Broodmare Sales.

I couldn't resist a few mares that were some of the best types I have seen.

My favourite purchase is the below near 17hh **ENCOSTA DE LAGO** mare, Shalimar Lara. I am somehow drawn to top mares with poor reproduction! If we get a foal from this mare it will be sensational. Her full sister is multiple Group One winning mare **LASHED**. She still has a Snitzel, Sebring and Tale Of The Cat to race.

I also purchased a wonderful Zedative mare from Baramul Stud (Gerry Harvey) named Typing Pool. She is out of a Danehill mare who is in turn out of a Secretariat mare. This mare is a walking tank. Her progeny already proving themselves and she also has two still to run by Big Brown.

Above: Typing Pool in foal to Success Express (USA) stallion Excites (AUS).

I also purchased a stunning city winning Danehill Dancer mare, which after seeing the quality of Glacial Gold's filly out of a Danehill Dancer mare, was a "must have". Pretty and put together amazingly as well.

NEW LONE RANGER MOVIE— SILVER THE WHITE HORSE IS OUR PATRICKS BROTHER!!

YES, that's right peeps. Hagia Sophia (AUS) our now 2yo coloured colt is the (paternal half) BROTHER of the 2013 Lone Ranger Movie's horse Silver.

Hagia Sophia's sire is Painting Freedom (USA) who is also the sire of Silver (a.k.a. Arctic Bright).

Not only do our horses have huge potential for racing, showing, eventing etc but their future is certainly brighter than most with their unique colouring.

What career will you enlist your star studded coloured thoroughbred?

The possibilities are truly endless:-)

WCF THOROUGHBREDS A HUGE HIT AT INGLIS SALES.

QUOTES WORTH OF MENTION

A great result for our first ever public auction of coloured thoroughbreds where weanling filly by Glacial Gold out of Waltzing Queen (Danehill Dancer) fetched near three times her section average to achieve \$11,000 for her owner Ms Johansen.

And also achieving a great price compared to others was the palomino yearling filly out of Red Trid making \$10,500.

Bidding in the ring was fierce though

MENTION

The only place where success comes before work is in the dictionary.

God gives every bird its food, but He does not throw it into its nest.

both horses eventually selling to online buyers. The purchaser of Glacial's yearling filly, Dr Hummelstad, has previously purchased three WCF horses, this one her fourth.

Dr Hummelstad also purchasing the all white colt Luna Park. Her yearling filly purchase will make an exciting partner for him in years to come.
