We have opted to put one of our horses on sale each month to give our clients not just great horses but GREAT value. The heavily reduced price will be good for one month or until the following Newsletter is released. We are proud to say that although our Business is in its infancy, we already have five sets of clients that have purchased from us on more than one occasion. Hopefully a testament to the quality of our horses and business ethics.

This months sale horse is the Champion Pony Broodmare **BSK Shakhirs Ransom**. She has five registrations and comes with a service to Profile In Style (USA) or Glacial Gold (USA) for the price of the service fee only (\$2200 or \$2750). She can be taken off farm for the service fee cost with the service to be used a later date - or - she

### Miss Morocco a winner and not just on the track

It's not everyday you receive a phone call from a trackwork rider that has spent 3 months tracking down the whereabouts of their favourite horse. But this is exactly what happened when Mr Scorse rang WINNING COLOURS FARM wishing to purchase Miss Morocco. Bradley advised that his 6 year old daughter and 7 year old nephew use to trot and

canter around a bit and in work Miss Morocco. As Bradley put it "She is a one in a million".

Miss Morocco's elite show type, pedigree and the above are the reasons she is a WINNING COLOURS FARM broodmare. We have a high emphasis on breeding not only quality horses but horses with a great mindset. She will be covered by Glacial Gold (USA) this season for a guaranteed Palomino or Smoky Black foal.
