FIRST FOALS OF THE SEASON

I can honestly say this foal crop is sure to be our best to date. Profile In Style has produced four overo thoroughbred fillies out of four so far this season. And of course the type of these fillies is what you would expect from this stellar Stallion. If you haven't booked your mare in, what are you waiting for!!!!

GUESS WHO !!

Who is this palomino racehorse?? To find out go to our [Showcase](#) page.

“THE DARK SIDE” OF PROFILE IN STYLE (USA)

Putting incredible type and a crack-

ing pedigree before a stallion with a loud coat was a no brainer for WCF.

With Profile IN Style (USA) we produce foals with the lot. And more importantly, foals that can do the lot.

This picture taken middle of winter in paddock condition and he does not wear a rug.

[Profile In Style](#) and his progeny have height, substance, conformation, good looks and athleticism. Breed to be the Best. Breed with WCF.

GLACIAL GOLD'S (SMOKEY) BLACK DIAMOND newborn picture

With not a spec of white, she is going to be the type and colour the showies go mad over.

As well as the fact she will be able to breed palomino and pure white cremello thoroughbreds in her future!! Out of Zoffa's Mystere. What a lovely strong newborn filly. Congratulations to her owner, Jennifer. Jennifer now with several WCF bred foals - she may want to sell some but you better be quick!!

HILLARIOUS!!!

QUOTE WORTHY OF MENTION

You may not know what is going to happen when you try, but if you do not try nothing will happen.
